### PRIVATE SECRETARY'S OFFICE.

NOTIFICATION.

PRINCE OF WALES' ROYAL INDIAN MILITARY COLLEGE, DEHRA DUN.

*No.* 3.—(1) In connexion with the admission of candidates to the Prince of Wales' Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates.

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Marine, and making one of these services their profession in life. The course of study at the College will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Marine, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India.
(b) Indian States.

Nominations will be made by His Excellency the Commander in Chief on the recommendation of the Local Government or Administration or the Political Officer, as the case may be.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 20th January 1935.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees will be Rs. 1,500 for each school year and are liable to enhancement hereafter, if circumstances require. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind, and, as initial provision, one suit of the uniform to be worn by students when at the College. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as of books and stationery (which will be supplied by the College) will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the College authorities, on his entering the College, the sum of Rs. 50 which will be returned when the cadet finally leaves the College provided that all dues have been paid.

In the event of it becoming necessary for cadets to be admitted into a civil hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full terms notice is required to be given of intention to withdraw a cadet from the College. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration.

NOTE.—In the past, remissions of fees have been made, in certain deserving cases, to the sons of Indian soldiers.

Such remissions will be discontinued until further orders, and full fees will be levied in respect of cadets who are the sons of Indian soldiers and who are admitted in the College in the future.

(6) Entry to the College will not be open to candidates who are already married.

(7) Parents or guardians of candidates for admission to the College, at the time of the submission of the applications, will furnish signed declarations (in duplicate) in the following form :—

"I, _____ father / guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, declare that it is my desire that my son / ward should make the Indian Army, Air Force or Royal Indian Marine his profession in life.

I further declare that I have made myself acquainted with the fees payable at the Prince of Wales' Royal Indian Military College, and subsequently, at the Indian Military Academy, Dehra Dun (viz., Rs. 3,850 for a course of 2½ years); and at the Royal Air Force College, Cranwell (viz., £238-8 for a course of 2 years); and expenditure to be incurred in connexion with the training of cadets for appointment as commissioned officers of the Royal Indian Marine (viz., £250 in the case of the Executive Branch and £470 for the Engineer Branch); and that I am able and willing to pay the prescribed fees and meet the expenditure in the case of the Royal Indian Marine, as also the incidental expenses.

I declare also that—

(a) if my son / ward withdraws from the Prince of Wales' Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Marine,

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force, or Royal Indian Marine as his profession, *for reasons within his control or sense* (on which points final decision will rest with the Government of India), I shall be required to pay the full cost which Government may have incurred on his education at the Prince of Wales' Royal Indian Military College.

I declare also that my son / ward is unmarried and that he will remain a bachelor whilst at the College and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Marine.

*Place* _____

*Date* _____

*Signature of parent or guardian.*"

(8) One general mess will be maintained. All students will be required to mess together. Special care will be taken that no food is served in the mess which could in any way offend the religious susceptibilities of any student.

(9) All applications should be submitted to the Private Secretary to His Excellency the Governor of Madras, Madras Governor's Camp, not later than the 10th November 1934 in the form below. No applications received after the 10th November 1934 will be considered.

FORM OF APPLICATION.

(To be sent in duplicate.)

1 Name in full. (*To be typewritten or hand printed.*)

2 Date of birth. (*This must be definitely stated and supported by documentary evidence.*)

3 Name, occupation and address of father or guardian.

4 Caste or tribe.

5 Permanent address in India.

6 Brief resume of military services rendered by candidate's father and near relatives and statement of his father's financial position. (Required only in the case of the sons of Indian Officers.)

7 Medical report.

*Place* _____

*Date* _____

*Signature of Candidate.*

(10) Candidates are informed that no travelling allowance is admissible in the event of their being summoned to Madras or Ootacamund, as the case may be, for the purpose of interviewing His Excellency the Governor.

(11) Detailed information regarding the aim and scope of the course of training and the rules to be observed by parents and guardians of cadets nominated to join the College are contained in the pamphlet entitled "Regulations for the Prince of Wales' Royal Indian Military College, Dehra Dun."

Copies of the above Regulations; the "Regulations respecting admission to the Indian Military Academy, Dehra Dun", the "Regulations respecting entry of Indian gentlemen to the Indian Air Force through the Royal Air Force College, Cranwell" and the "Regulations respecting the recruitment, training rates of pay, etc., of commissioned officers of the Royal Indian Marine", mentioned in paragraph 7 above can be had from the Manager of Publications, Civil Lines, Delhi, price annas 2, 4, 4 and 4 respectively.

APPENDIX A.

*Information respecting the medical examination of candidates for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun.*

1. The medical examination of candidates for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, should invariably be made by—

(a) the Officer Commanding a British or Indian Station Hospital, or failing (a),

(b) a Civil Surgeon.

2. A standard for height and chest measurements and physical development cannot be laid down, but the candidate should not be below the average for his age and race.

3. The standard of the minimum of acuteness of vision with which a candidate will be considered fit is—

*Better eye.*

Distant vision V = 6/6.
Near vision reads 0·6.

*Worse eye.*

Distant vision not below 6/60.
After correction with glasses not below 6/18.
Near vision reads 0·6.

Snellen's types should be used.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lid of either eye liable to the risk of aggravation or recurrence will cause the rejection of the candidate.

Each eye will be examined separately. The candidate will be required to read the tests in ordinary daylight.

Inability to distinguish the principal colours will not be regarded as a cause for rejection, but the fact will be noted in the proceedings and the candidate will be informed.

*No relaxation of the standard of vision will be allowed.*

4. The following additional points will then be observed :—

(a) That his hearing is good.

(b) That his speech is without impediment.

(c) That his teeth are in good order. He must have ten (10) sound teeth in the upper jaw functionally opposed to ten (10) sound teeth in the lower jaw. Two of these teeth in each jaw must be molars. Well filled teeth will be considered as sound.

(d) That his chest is well formed and that his lungs and heart are sound.

(e) That he is not ruptured.

(f) That he does not suffer in a fair degree of varicocele or varicose veins. A candidate who has been successfully operated on will be accepted.

(g) That his limbs are well formed and developed.

(h) That there is free and perfect motion of all the joints.

(i) That his feet and toes are well formed.

(k) That he does not suffer from any inveterate skin disease.

(l) That he has no congenital malformation or defect.

(m) That he does not bear traces of previous acute or rheumatic disease pointing to an impaired constitution.

(n) That the candidate's age is as near as possible correctly stated.

A. D. CROMBIE,
*Private Secretary to His Excellency the Governor.*

No. L-3030.—The following draft of certain rules which the Governor-General in Council proposes to make in exercise of the powers conferred by sub-section (4) of section 33 of the Factories Act, 1934 (XXV of 1934), read with section 23 of the General Clauses Act, 1897 (X of 1897), is published as required by section 79 of the first named Act for the information of all persons likely to be affected thereby, and notice is hereby given that the draft will be taken into consideration on or after the 22nd December 1934. Any objection or suggestions which may be received in respect of the draft before the date specified will be considered by the Governor General in Council.

DRAFT RULES.

PART I.

1. These rules may be cited as "The Hazardous Occupations (Lead and Lead Compounds) Rules, 1934."

2. The operations specified in the Schedule are declared to be hazardous operations when carried on in any factory.

3. No woman, adolescent or child shall be employed in any factory in any of the operations specified in Part I of the Schedule or, save in accordance with the provisions contained in Part II of the rules, in any of the operations specified in Part II of the Schedule.

PART II.

4. In respect of every woman, adolescent or child employed in a factory in any of the operations specified in Part II of the Schedule (hereinafter referred to in this Part of the rules as "such person") the manager of the factory shall have in his possession a certificate of fitness issued in Form A by a certifying surgeon appointed under section 12.

5. Every such person shall carry while he is at work a token giving reference to such certificate.

6. Every such person shall be medically examined by a certifying surgeon at intervals of not more than three months, and a record of such examinations shall be kept in form B.

7. If at any time the certifying surgeon is of opinion that any such person is no longer fit for employment in any of the operations specified in Part II of the Schedule, he shall cancel the certificate of fitness of that person and that person shall not be employed in any such operation unless the certifying surgeon again certifies him to be fit.

8. Where dust or fume from a lead compound is produced in any operation specified in Part II of the Schedule provision shall be made for drawing the fume or dust away from every such person by means of an efficient exhaust draught so contrived as to operate on the dust or fume as nearly as may be at the point of origin.

9. No food, drink or tobacco shall be brought into, or consumed in, any room in which any such person is employed.

10. Adequate protective clothing in a clean condition shall be provided by the employer for and worn by every such person.

11. Every room in which any such person is employed, and all tools and apparatus used by him, shall be kept in a clean condition.

SCHEDULE.

### THE DRAFT ANANTAPUR ELECTRIC LICENCE, 1934.

LICENCE FOR THE GENERATION AND SUPPLY OF ELECTRIC ENERGY GRANTED BY THE GOVERNMENT OF MADRAS UNDER THE INDIAN ELECTRICITY ACT, 1910.

Licence is hereby granted to the Municipal Council of Anantapur to generate and distribute electrical energy

in the area with the powers and upon the terms and conditions all specified below.

1. *Short title.*—This licence may be cited as "The Anantapur Electric Licence, 1934."

2. *Interpretation.*—This licence is to be read and construed as subject in all respects to the provisions of and to the rules thereunder, and with the statutory modifications thereof and to the rules thereunder; and the several words, terms and expressions to which meanings are assigned by that Act or any statutory modifications thereof or by the rules thereunder or the General Clauses Act, 1897, shall have in this licence and the annexures thereto the same respective meanings, provided that in this licence :—

(1) The expression 'The Act' shall mean the Indian Electricity Act, 1910, with the statutory modifications thereof.

(2) The expression 'The Licensees' shall mean and include the Municipal Council of Anantapur and their permitted assigns.

(3) The expression 'First Annexure,' 'Second Annexure,' 'Third Annexure' and 'Fourth Annexure' shall mean the first, second, third and fourth annexures to this licence respectively.

(4) The expression 'Deposited Map' shall mean the plans showing the area of supply or the streets or routes along which electric lines have compulsorily to be laid all hereinafter specified which have been deposited with the Government of Madras in the Public Works and Labour Department and by the applicants under the name and style of the Anantapur Municipal Council

(5) The expression 'Load Factory' shall mean the ratio or percentage of the average quantity per hour to the maximum quantity per hour of energy supplied in any month.

(6) The expression 'Unit' shall mean the quantity of energy contained in a current of one thousand ampers following under an electromotive force of one volt during one hour.

3. *Commencement of licence.*—The date of the notification by the Government of Madras in the *Fort St. George Gazette*, that this licence has been granted to in this licence referred to as "The Commencement of the licence."

4. *Area of supply.*—The area within which the generation and supply of electric energy is authorized by this licence is the whole of the area contained within the Municipal limits of Anantapur and more particularly delineated in red on the deposited map.

5. *Purpose of supply.*—Subject to the provisions of this licence and the Act and the rules thereunder the licensees shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes.

Provided that no supply of energy shall be commenced to be given by the licensees to owners or occupiers of private premises until the Government of Madras have approved the form of requisition to be made by the owners or occupiers for such supply of energy and also the form of written contract or agreement with the licensees to take a supply of energy which is to be executed or entered into by the owners or occupiers and until the Government of Madras have also approved the amounts of all miscellaneous charges incidental to or in connection with such supply and which the licensees proposes to make.

Provided that the licensees shall not without adequate notice being served on them be under any obligation under section 22 of the Act to supply more energy than is consistent with their obligation to maintain a constant supply to consumers due regard being had to the licensee's load factor.

6. *System of supply.*—The systems to be adopted for the supply and transmission of electric energy under this licence are the following :—

(1) (a) A medium pressure alternating current 3 phase 4 wire supply at a pressure at the consumer's terminals of 400 volts (approximately) between phase and the volts between phase and neutral which shall be earthed at one point only on each separate distributing system and at a frequency of 50 complete periods per second.

(b) A high pressure alternating current three phase supply at a pressure of 6,600 volts between phases at a frequency of 50 complete periods per second.

(c) The neutral points of the high pressure systems may with the approval of the Government of Madras and the concurrence of the Telegraph authority and the Railway be connected to earth.

Provided always that it shall be lawful for the Government from time to time in lieu with due regard to the expense involved and to the effect upon the commercial prospects of the undertaking regulations dealing with the above systems of supply or to authorise subject to such limitations and conditions as shall be prescribed in writing by the Government other systems of supply to be adopted for the purpose of the licence.

(2) The transmission lines, feeders, distributing mains and service lines may be overhead or underground in whole or in part and shall be erected, constructed and maintained by the licensees in strict conformity with the Act and the rules thereunder and the following provisions :

(a) The licensees shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Electrical Inspector to the Government of Madras in each case and subject to any conditions or limitations which he may prescribe.

(b) In the streets mentioned in clause (2) of the third annexure hereto or in any other streets which may at any time hereafter be named in writing by the Government of Madras all electric lines shall be laid underground.

(c) Where the transmission of electric supply line crosses or runs along the routes of tahoot, temple car or similar religious processions, the wires shall be laid underground or at such height as will allow of the free and safe passage of these processions or shall be temporarily removed.

(d) In all streets and thoroughfares less than 16 feet in width for wheeled traffic posts for overhead electric lines shall not be erected.

(e) In narrow lanes through which wheeled traffic is not permitted the posts shall be placed on the extreme edge of the lane and a special construction to be approved by the Electrical Inspector adopted to keep the wires four feet clear of every building.

(f) In any street or its direct continuation in which overhead electric lines are run such lines shall be run throughout one side only.

(g) Where overhead mains are used due precautions shall be taken by the licensees to avoid any possible interference with the adjacent telegraph or telephone circuits due to inductive effects; the overhead wires shall be suitably transposed where necessary.

(h) For the purpose of rule 81 of the Indian Electricity Rules, 1922, the maximum wind pressure shall be taken as 10 lb per square foot.

7. *Compulsory works.*—(a) The licensees shall lay down suitable and sufficient transmission lines, feeders and distributing mains and erect the generating station with all machinery and apparatus necessary for giving a continuous supply of energy and shall do all other works necessary for the commencement of the supply and to the satisfaction of the Government of Madras throughout such streets or parts of streets as are mentioned in the first annexure and as indicated in red on the deposited map. In the case of differences between the description in the first annexure and as indicated on the deposited map the latter shall prevail. The licensees shall commence to execute the works aforesaid within nine months from the commencement of the licence and shall complete same within two years thereat. The works aforesaid shall be in general accordance with the Scheme mentioned in the fourth annexure and with such modifications as may be approved hereafter in writing by the Government of Madras.

(b) Further within 12 months of the receipt of the application and subject to the first proviso of clause VI (1) of the Schedule to the Act, the licensees shall lay down suitable and sufficient additional transmission lines, feeders and distribution mains, as may be required to effect a supply to every applicant village or community within the area having a demand of not less than eight thousand (8,000) units per annum per mile of additional transmission and feeder lines.

(c) In addition to the streets mentioned in the first annexure the licensees shall lay down further distributing mains to the aggregate length of one mile as may be directed by the Government of Madras within six months of the commencement of the supply

(d) If the licensees fail to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any portion of the said period at two years be unsatisfactory the licence may be revoked and the security furnished as per clause 4 (b) above forfeited,

(e) The licensees shall submit reports to the Chief Engineer for Electricity every six months from the commencement of the licence until the completion of the compulsory works specifying all steps taken and the progress made in carrying into effect this licence.

8. *Generating stations.*—(a) There shall be only one generating station within the area of supply.

(b) The licensees shall be at liberty to generate from a new generating station within the area of supply energy to satisfy all or part of their requirements and buy the remainder in bulk or to generate no energy and to buy all the energy required for distribution and resale from a hydro-electric or other source having a generating station outside the area of the licence.

(c) *Transmission lines from generating stations.*—For the purpose of conveying and transmitting energy the licensees may after an order in writing has been made by the Government of Madras conferring upon them such of the powers referred to in section 51 of the Act as may be necessary and upon obtaining the general approval required by section 164 of the Act place aerial transmission lines from the generating station to one or more receiving stations. The alignment of the aerial transmission lines from the generating station shall be subject to the previous approval of the Government.

9. *Breaking up of streets and railways and crossing of waterways.*—(a) The licensees are hereby specially authorised to open and break up the soil and pavement of the streets not repairable by the Government of Madras or by the local authority and mentioned in the second annexure to this licence and also to open and break up the soil and pavement of the Railways also mentioned in the said annexure at such points and places and to such extent only as shall have been previously approved in writing by the Government after the licensees have given such special notice or notices as the Government may direct and within such period as the Government may fix in this behalf to the persons who are entitled to work the said railways and after all representations or objections received in accordance with any such notice have been considered by the Government.

(b) The length of the trenches to be opened at any street at any one time and the period for which they may remain open shall be determined from time to time by the Government of Madras or the authority by which such streets are repairable. When any street crossed not more than half the width of such street shall without the specific authority in writing of the Government of Madras or the local authority as aforesaid be closed for traffic.

(c) The licensees are further authorised to cross all rivers streams and irrigation channels within or continuous to the area of supply in accordance with such conditions as the Government may impose.

10. *Limits of prices to be charged in respect of supply of energy.*—(a) The prices to be charged by the licensees for energy supplied by them shall not exceed those stated in that behalf in the fourth annexure or in the case of a method of charge approved by the Government of Madras in accordance with Clause X of the Schedule to this Act such maxima as the Government of Madras may fix on approving the method; nevertheless, the licensees may enter into special contracts subject to sections 22 and 23 of the Act for the supply of energy.

(b) Should a supply of electrical energy in bulk become available at any future date from a Government Power system or other sources of supply of distributed energy under this licence would be appreciably reduced the licensees shall obtain their supply from such system or source of supply within 12 months from the date from which notice is given by Government that such supply is available.

(c) In the case where the energy is obtained from a Government Power system, the licensees shall conform in resale rates and in conditions of working to such regulations as may be issued by the Government. If a bulk supply is obtained from a source other than a Government Power system the licensees shall reduce the rates charged to consumers and also the maximum specified in the fourth annexure.

11. It shall be the duty of the licensees to give to the nearest magistrate immediate and full information of any circumstances in which the interruption of the supply may be apprehended as a result of the nature, specified in section 15 of the Trade Disputes Act, 1929.

12. *Variations from the Schedule to the Act.*—In pursuance of section 3 sub-section (2) clause (f) of the Act it is hereby expressly declared that Clauses IV and IX of the schedule to the Act shall be excepted from incorporation in the licence.

13. *Revocation.*—If the licensees fail to comply with the provisions of any of the clauses hereof, the licence may be revoked.

A Supplemental Convocation for conferring degrees and titles and for the award of diplomas will be held in the Senate House on Friday, the 7th December 1934 at 4-30 p.m.

Applications from candidates for degrees, titles or diplomas in the prescribed form must be made so as *to reach the Registrar not later than* Wednesday, the 21st November 1934. Printed forms of application for the purpose can be obtained from the office of the Registrar on application made in person or by post. *Special* forms of application are available for candidates taking their *degrees in absentia*, and for those taking the M.A. Degree. Every candidate is at liberty to take his degree either in person or *in absentia*.

DIPLOMA FEE FOR TAKING A DEGREE AT A CONVOCATION EITHER IN PERSON OR *in absentia* IS Rs. 3

The fee for taking a degree in absentia other than M.A. is Rs. 10.

The fee for taking the M.A. Degree in person is Rs. 25

The fee for taking the M.A. Degree in absentia is Rs. 35.

The fees referred to above should be paid into the Imperial Bank of India, Madras, or into any one of the Government treasuries or branches of the Imperial Bank of India in the mofussil, and the receipt therefor submitted to this office with the application for admission to convocation, and in the case of those residing outside this Presidency, the fees should be sent to the Registrar by money order.

*Applications not prepared in the prescribed form, or defective in any particular, or received after the prescribed date, will not be accepted.* Candidates are advised, as a safeguard against the miscarriage or non-delivery of applications, to submit the same MUCH EARLIER THAN THE PRESCRIBED DATE. Enquiries from candidates as to the receipt of their applications in the office of the Registrar will not receive attention. *Each application, if accompanied by an addressed post card, will, however, be acknowledged by the return of the post card, with the University stamp duly impressed thereon.*

Cards of admission to the convocation will be issued on Saturday, the 1st December 1934, to the address given in the application. Candidates, besides giving their permanent address, MUST ALSO GIVE THE ADDRESS IN MADRAS OR IN THE MUFASSAL TO WHICH THEIR TICKETS OF ADMISSION SHOULD BE DESPATCHED. Candidates for degrees, titles or diplomas who are not in receipt of the cards of admission are requested to communicate the fact promptly to the Registrar.

## STATISTICS—1934-35—COTTON—SECOND REPORT.

The average of the areas under cotton in the Madras Presidency during the five years ending 1932-33 has represented 9 per cent of the total area under cotton in India.

2. The area under cotton up to the 28th September 1934 is estimated at 733,900 acres. When compared with the area of 740,800 acres estimated for the corresponding period of last year, it reveals a decrease of about 1 per cent. The area in Bellary fell from 312,000 acres to 207,000 acres for want of timely and sufficient rains. There has been an increase in area in most of the other districts.

3. The area in the South and the Central districts relates partly to the last year's crop and partly to the current year's sowings which have commenced in parts.

4. The mungari or early crop in parts of the Deccan has been affected by drought to some extent.

5. The wholesale price of cotton lint per imperial maund of 82 2/7 lb. as reported from important markets towards the close of September 1934 was about Rs. 20-10-0 for Coconadas, Rs. 20-5-0 for red Northerns, Rs. 21 for white northerns, Rs. 18-2-0 for (early crop) Westerns, Rs. 25-5-0 for Cambodia, Rs. 23-9-0 for Coimbatore Karungani, Rs. 23-10-0 for Tinnevelly Karungani, Rs. 22-13-0 for Tuticorin and Rs. 19-14-0 for Nadam.

When compared with the prices in the previous months, the prices of Coconadas, Northerns and Westerns are more or less stationary while those of Cambodia, Karungani, Tuticorin and Nadam show a slight fall ranging from 2 to 6 per cent.

6. Figures by districts are given below :—

## OFFICIAL ADVERTISEMENTS

TENDER FOR 'PROTECTING THE ERODED MARGINS IN THE II REACH OF THE COM. MAMUR CANAL FROM 23/4 TO 27/0'

Tenders will be received by the Executive Engineer, Kistna Western Division, at his office at Bezwada, up to 4 p.m. on 18th October 1934, for the above work.

2. Tenders must be submitted in sealed covers, and should be addressed to the Executive Engineer, Kistna Western Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, and the name and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorised officer who shall produce with his tender, satisfactory evidence of his authorisation. Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of Rs. 100 (rupees one hundred only) for the above work into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned, to the credit of revenue deposits on behalf of the Executive Engineer of the Kistna Western Division and enclose with his tender the chalan tendered accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, when intimation is sent of rejection of the tender or at the expiration of two months from the date of tender, whichever is earlier. The refund will be authorized by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department officers save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should write his name in full with date, on the back of all the currency notes given by him whatever their denominations may be.

The earnest money will be retained in the case of the successful tenderer, and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender, sign an agreement in the departmental K-2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5. To give to prospective tenderers an idea about the nature and volume of work to be done and to enable them to quote suitable rates a schedule of approximate quantities is furnished. It shall however be definitely understood that the Government does not accept any responsibility for the correctness of the schedule and that it is liable to alterations by omissions, deductions or additions. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work to execute which his tender is called for. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Kistna Western Division, Bezwada.

6. The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering, detailed on the K-2 agreement form and also to the sections and clauses in the Standard Preliminary Specification, of the Madras Detailed Standard Specifications dealing with (a) Materials and workmanship—Section D, clauses 26 to 27—and (b) included in the contract rates—Section E, clauses 33 to 41 and 43.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In

every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer, Kistna Western Division, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Kistna Western Division.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The rate rendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in words of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or conversions of figures. Corrections where unavoidable should be made by crossing out, initialing dating and rewriting.

9. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10. The materials that will be supplied by Government and the places and rates at which they will be supplied, are noted at the end of the schedule accompanying the tender form. Tenderers must accept the materials at these rates and places specified, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connexion with this supply.

11. No part of the contract shall be sublet without written permission of the Executive Engineer, nor shall transfer be made by power-of-attorney authorising others to receive payment on contractor's behalf.

12. If further necessary information is required, the tenderer will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

13. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

14. No extra payment will be made for baling of water that may be required during the execution of the work and conveyance of fresh water both to coolies and for mixing concrete, etc.

He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender, sign an agreement in the departmental K-2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5. To give to prospective tenderers an idea about the nature and volume of work to be done and to enable them to quote suitable rates a schedule of approximate quantities is furnished. It shall however be definitely understood that the Government does not accept any responsibility for the correctness of the schedule and that it is liable to alterations by omissions, deductions or additions. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work to execute which this tender is called for. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Kistna Western Division, Bezwada.

6. The tenderer's particular attention is drawn to the conditions and to the directions in parties tenderup, detailed on the K-2 agreement form and also to the sections and clauses in the Standard Preliminary Specification of the Madras Detailed Standard Specification dealing with (a) Materials and workmanship—Section D, clauses 20 to 27—and (b) included in the contract rates—Section E, clauses 33 to 41 and 43.

7. Every tenderer is expected, before quoting his rates to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries, or other sources defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in the tender notice, or as required by the Executive Engineer, Kistna Western Division, in any case shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Kistna Western Division.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and pies in words and figures. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or conversions of figures. Corrections where unavoidable should be made by crossing out, initialing, dating and rewriting.

9. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10. The materials that will be supplied by Government and the places and rates at which they will be supplied, are noted at the end of the schedule accompanying the tender form. Tenderers must accept the materials at these rates and places specified, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No carriage or incidental charges will be borne by Government in connexion with this supply.

11. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of attorney authorizing others to receive payment on contractor's behalf.

12 If further necessary information is required, the tenderer will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

13. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

14. No extra payment will be made for any baling of water that may be required during the execution of the work and conveyance of fresh water both to coolies and for mixing concrete, etc.

## TENDER FOR THE SUPPLY OF PAINT.

SEALED tenders will be received by the undersigned till 2 p.m. on 3rd November 1934 for the supply of 600 kegs of ready mixed green paint and 225 kegs of ready mixed white paint (each keg to contain 28 lb. of paint) for use on marking trees. The paints should be of a superior lasting quality. The kegs should be provided with close fitting covers capable of preventing leakage.

2. Tenders should be addressed to the Secretary to the Commissioner of Excise, Chepauk, Madras and should be submitted in a sealed cover superscribed "Tender for the supply of paint." Samples of paints should be submitted along with each tender.

3. Each tender should be accompanied by an earnest deposit of Rs. 50 which should be credited into the Imperial Bank of India, Limited, or into Government Treasury to the "Revenue Deposits" in favour of the Secretary to the Commissioner of Excise, Madras. The bank or treasury receipts of the unsuccessful tenderers will be returned with an endorsement to return the amount to the depositor concerned.

4. The Commissioner reserves to himself the right of rejecting any or all the tenders without assigning reasons for so doing.

5. The successful tenderer should credit into the Imperial Bank of India, Limited, or Government treasury as security a sum equivalent to 10 per cent of the total value of the contract inclusive of the earnest money referred to in condition 3 within five days of receipt of communication that his tender has been accepted and submit the Bank or Treasury receipt to the office.

6. The successful tenderer should undertake to supply the paint on or before 1st April 1935. The total value of the contract will be paid from the funds of 1935-36 after 1st April 1935. The rates quoted should be for delivery at the Excise Commissioner's Office, Chepauk, Madras. The successful tenderer must sign and give an agreement attested by two witnesses to the above effect. Failure to fulfil the contract fully or in any of the details will entail, besides claim for damages for breach of contract, forfeiture of the deposit money mentioned in condition 3.

## MADRAS PORT TRUST.

### AUDIT REPORT ON THE ACCOUNTS OF THE ENGINEERING WORKS OF THE MADRAS PORT TRUST FOR THE YEAR 1933-34.

A statement of receipts and expenditure in the Engineering department during 1932-33 and 1933-34 is attached as Annexure I to this report. Annexure II shows the actual capital outlay on works during 1933-34 as compared with the budget and the revised estimates of the year and the actuals of 1932-33.

CAPITAL ACCOUNT.

*Revenue contribution to capital*

2. (i) *Annexure I.*—(a) The actual expenditure on Capital Works during the year under report amounted to Rs. 86,058 (vide Annexures I and II) against the revised estimate of Rs 1,26,650. The lapse of Rs. 41,592 is mainly on items 1, 6 and 7 of Schedule A which work up to Rs. 41,535 (viz., Rs. 3,081, Rs. 26,569 and Rs. 11,885, respectively).

In the case of item 1, the lapse is explained to be due to the cheaper rate for stone obtained during the year and the heavy lapses in the case of items 6 and 7, respectively to the non-payment of the contractor's final bill for work done, before the close of the year contrary to expectations and to the delayed commencement of the work, for unavoidable causes.

(b) The large *minus* debit of Rs 52,852, under "Suspense" is due to greater recoveries of suspense expenditure and larger utilizations during 1933-34 of the stock balance of the previous year.

2. (ii) *Annexure II.*—The total capital expenditure of Rs. 4,36,577 shown in Annexure II is made up as follows :—

| Works constructed from revenue— | Rs. |
|---|---|
| Contributions to Capital and repayment of Government loan .. .. .. | 4,89,429 |
| Suspense (net debits) .. .. .. .. .. .. .. .. .. | — 52,852 |
| Total .. | 4,36,577 |

(iii) (a) Schedule "A" compares the actual expenditure on capital works contributed from Revenue and the Landing Charges Fund with the budget and the revised estimates of the year.

(b) The items noted below were not provided for in the original budget but were included in the revised estimates :—

Items Nos. 3, 4, 6 and 7.

(c) Item 6 of Schedule A was first sanctioned classified under "Landing Charges Fund" and was later reclassified at the instance of Audit under "Capital" by Government in G.O. No. 590, Finance (Marine), dated 26th September 1933.

*Work done for Revenue.*

3. (a) Schedule "B" compares the actual expenditure on Revenue maintenance works with the budget and revised estimates of the year.

The budget estimate was reduced by Rs 1,29,200 during the year.

(b) The final appropriations and estimates were exceeded in the case of the following works :—

| Item number and name of work in Schedule "B." | Revised appropriations and estimate. | Outlay. | Excess. |
|---|---|---|---|
| | Rs. | Rs. | Rs |
| iv. Piers and wharves .. .. .. .. | 32,500 | 33,411 | 911 |
| xii. Water bought from city .. .. .. | 53,000 | 54,503 | 1,503 |

The reasons for the excesses are detailed below :—

(iv) *Piers and wharves.*—The excess was due to liabilities incurred having had to be adjusted and also due to repairing certain minor damages caused by the cyclone of December 1933, that passed through the Port. The excess is comparatively small.

(xii) *Water bought from city.*—The excess is due to increased supply of water to shipping.

These excesses have been reported in the monthly statement of items held under objection for March 1934 issued with this office No. O.A./Accts./95, dated 26th May 1934, and also to Government in Provincial Statement of items held under objection issued with this office No. O.A./12-B/419, dated 5th June 1934.

Against the revised appropriation of Rs. 6,64,700 the actual expenditure was Rupees 6,26,887. The lapse of Rs. 37,813 is stated to have been due generally to economy in expenditure during the year, to the non-payment to the extent of Rs. 9,000 before the close of the official year for certain materials ordered from Home for the annual overhaul of dredger "Madras" and to the road work to the value of Rs. 1,000 under "Roads and Yards" having been deferred for execution during 1934-35.

*Renewals and Replacement Fund Works.*

5. (a) The several works carried out during the year from the Renewals and Replacement Fund are detailed in Schedule "C" which shows the actual expenditure on each work together with the budget and revised appropriations. The budget estimate was reduced by Rs. 28,213.

(b) Items 4, 5 and 6 of the schedule were not provided for in the original budget, but were included in the revised estimates. These are incomplete works of the previous year, the accounts of which were closed during the year. The necessary grant required in each case to cover the actual outlay during the year should have been provided for in the budget estimate itself for the year.

(c) The lapse is mainly on item 1 (Rs. 601) due to the work not having been completed during the year as anticipated.

(d) The large surrender in the budget estimate is explained as follows —

*Item* 1.—As part of the work, viz., repairs to the Trust's Cupola provided for in the budget was decided not to be proceeded with, the surplus over actual requirements was surrendered.

*Items* 2 *and* 3.—As the works in question were not sanctioned for execution during the year, the grant in each case was surrendered in full.

*Item* 7.—As the renewal of certain meters originally provided for, was subsequently decided not to be proceeded with, the original grant was modified to cover the actual estimate for the work sanctioned.

*Accident Fund Works.*

6. (a) Schedule "D" compares the actual expenditure on the works with the sanctioned grant. The work was sanctioned, subsequent to the submission of the budget estimate to Government and hence not provided for therein.

(b) The large lapse of Rs. 8,746 is stated to be chiefly due to the use of second-hand rails for laying the service line on the revetment instead of new rails provided for and also partly due to cheaper rate of stone obtained for the work.

*Suspense accounts.*

7. The balances at the end of 1932-33 and 1933-34 are compared below :—

| Year. | Stock purchased. | Stores in depot. | Miscellaneous advances. | Work done for revenue. | Accident fund. | Renewals and replacement fund. | Workshop manufactures suspense. |
|---|---|---|---|---|---|---|---|
| | Rs. | Rs. | Rs. | Rs. | Rs. | Rs | Rs |
| 1932-33 .. .. | 2,411 | 1,23,507 | 10,653 | 81,070 | .. | 646 | 5,034 |
| 1933-34 .. .. | 6,245 | 96,791 | 5,378 | 84,025 | 6,216 | 658 | — 4,887 |

*Stock Purchases.*

(a) The closing balance of Rs. 6,245 comprises 26 items, all of which are current except one, which is outstanding from October 1933 and has been taken up in the audit note for March 1934, issued with this office No. O.A./Accts./97, dated 30th May 1934.

*Stores in depot (stock).*

(b) The limit of reserve stock is Rs 2,10,000 as sanctioned in G.O. Mis No. 100, Finance (Marine), dated 17th February 1926. As the balance at the end of each month during the past 2 years did not exceed Rs. 1½ lakhs, the question of reducing the reserve limit to a suitable figure deserves consideration. Stock was taken on 31st March 1933 and 11th April 1933 and the verification did not disclose any discrepancy.

*Miscellaneous advances.*

(c) The closing balance is composed of the following items :—

| | | Rs. |
|---|---|---|
| (i) | Work done and stores supplied to the Traffic Manager of the Trust .. .. | 325 |
| (ii) | Do. to the Deputy Port Conservator .. .. .. | 3,904 |
| (iii) | Charges incurred for the maintenance of Cotton pump, due from the Executive Engineer, North Presidency Division, Public Works Department, Chepauk .. | 119 |
| (iv) | Amount deposited with the Madras and Southern Mahratta Railway Company, Limited, for renewing rolled steel girders under weigh-bridge .. .. .. | 160 |
| (v) | Sundry items .. .. .. .. .. .. .. .. .. | 870 |
| | Total .. | 5,378 |

Items (i) and (ii) are interdepartmental advances which will be adjusted in due course.

Item (iii) was adjusted in the accounts for April 1934.

Item (iv) is outstanding since July 1933 and has been reported in the monthly statements of items held under objection for November 1933, February 1934 and March 1934 issued with this office Nos. O.A./Accts./69, dated 23rd January 1934, 88, dated 23rd April 1934 and 95, dated 26th May 1934, respectively to the Chairman, Madras Port Trust, and also in the Provincial statement of items held under objection, sent to Government with this office No. O A. 12-B 419, dated 8th June 1934.

*Work done for Revenue—Renewals and Replacement fund—Accident fund.*

(d) The balances outstanding at the end of March 1934 have been fully adjusted in May 1934.

*Workshop manufacture suspense.*

(e) The balance of Rs. 4,887 (minus) is made up of—

| | Rs. |
|---|---|
| (a) Materials on hand .. .. .. .. .. .. .. .. .. | 13,417 |
| (b) Deduct arrears remaining unpaid .. .. .. .. .. .. .. | 18,304 |
| | — 4,887 |

Out of the sum of Rs 13,417 representing value of materials on hand at the end of the year, a sum of Rs. 8,248 is approximately made up of the value of coal, timber, liquid fuel, etc., as shown below :—

| | Rs. | | Rs. |

(b) As an experiment in the last year, the right of clearing and taking away coal ashes and cinders in the Trust's premises was first given to a contractor for a sum of Rs. 150 to be paid to the Trust. On the suggestion of audit to call for tenders, the highest bid for this year has come up to Rs. 1,200 against Rs. 150 only realized for last year.

*Government securities and savings bank deposits.*

8. The following are the securities and deposits with the Madras Port Trust on the 31st March 1934 and these have been verified with the pass-books and safe custody receipts of the Imperial Bank of India:—

*Government securities.*

| 4 | Messrs. G. C. S. Nanjappa & Co., Madras .. .. .. .. .. .. | 66 | 0 | 0 |

*Tools and plant.*

9. The tools and plant articles were counted on 15th October 1933 and 74 articles were found surplus and 5 deficient. The articles found surplus were accounted for in the supplemental tools and plant statement for October 1933 and those found deficient were written off, under Board's sanction conveyed in resolution No. 4, dated 6th April 1934.

Out of the 74 articles found surplus, 63 were omitted to be brought into tools and plant account at the time of their receipt and the rest are stated to have been picked up from scrap lying in the yard. The omissions are apparently the result of not accounting for the articles at the time of their receipt through the "Purchase" account, though the desirability of adopting the procedure laid down in paragraph 409 (n) of Madras Public Works Account Code was impressed on the Chairman.

*Materials at site accounts.*

10. Materials worth Rs. 21,535 (as against Rs. 19,771 at the end of March 1933) were reported to be at site of works at the end of March 1934 and to have been verified on 31st March 1934, 1st April 1934 and 6th April 1934 by the officers in charge of the works.

11. Balance on work accounts—

| | | Rs. |
|---|---|---|
| Amount due to contractors .. .. .. .. .. .. .. .. .. .. | | 593 |
| Do. from contractors .. .. .. .. .. .. .. .. .. .. | | Nil. |

*Cash and treasury balances.*

12. The cash balance as per cash book at the end of March 1934 was Rs. 2,14,982-3-8, out of which Rs. 159-8-6, which has been verified by the Chairman, represents cash on hand. The imprest balance of Rs. 442-4-2 with the Collector of Customs, Madras, has been verified with the pass-book. The Port Engineer has a standing imprest of Rs. 200. The balance with the Imperial Bank of India has also been verified with the Bank's pass-book and the short term deposit with the Chartered Bank likewise with the certificate furnished by the Bank.

*Floating cheques.*

13. The amount of uncashed cheques at the end of the year was Rs. 15,701-11-11 as against Rs. 11,228-6-7 at the end of March 1933. They were all cashed in April 1934.

## MINUTES OF A BOARD MEETING,

No. 11 OF 1934-35, HELD ON FRIDAY, THE 14TH SEPTEMBER 1934.

Present:

Mr. G. G. Armstrong, C.S.I., *Chairman.*
Mr. G. N. Bower, B.A.
Commander C. St. Blunt, R.I.M.
M.R.Ry. M. Ry. M. Chidambaram Chettiyar Avargal.
M.R.Ry. G. Janakiram Chetti Garu.
Mr. M. Abdus Subhan Sahib, B.A.
Mr. G. R. Hodgson.
Mr. G. A. Bonthrone.
Mr. F. Burke, M.L.C.
Mr. A. A. Bayliss.
Mr. S. W. Edwards.

247. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, the 14th September 1934.

248 Read and recorded G.O. Ms. No. 476, Finance (Marine), dated the 11th September 1934, directing the publication in the *Fort St. George Gazette*, of a notification to the effect that M.R.Ry. G. Janakiram Chetti Garu has been elected by the Southern India Chamber of Commerce, Madras, to be a Trustee of the Port of Madras vice M.R.Ry. Diwan Bahadur G. Narayanaswami Chetti Garu, C.I.E.

249 Resolved that, pending a decision being arrived at by the Board at a later date in the matter of satisfactory acting arrangements during the Chairman's proposed absence on leave, the Chairman's application to Government for leave on average pay for seven and a half months from the 1st of March 1935 to the 15th of October 1935 be approved.

250. Resolved to approve of the sale by public auction of the following plant which is considered by the Port Engineer to be surplus to the Trust's present and near future requirements—

| | | | |
|---|---|---|---|
| Coal Winches | .. | .. | 1 |
| Tipping Wagon, Bockoner Type, double ended, complete with wheels | .. | .. | 1 |
| Anchors | .. | .. | 11 |

251. Resolved to accept the tender given by Mr. V. M. Chari Timber Merchant, Chalipuram Post Office, South Malabar, in his letters, dated the 16th and the 27th August 1934, for the supply of five hundred and fifty broad gauge sleepers required for the maintenance of tracks in the Trust's premises—the value of the purchase amounting approximately to Rs. 2,000.

252. Resolved to approve of the Chairman's proposal to the effect that after reserving a narrow strip of land, as shown on the plans submitted by him, along the eastern boundary of the Casurinoda and the Palmyra Kuppams belonging to the Trust, to serve as a working space for the maintenance of portions of the Trustee foreshore revetment thereabouts, the remaining portions of the Kuppams be transferred to Government for alienation to the Corporation of Madras free of cost.

253. Read and adopted the Chairman's letter to Government No. G. 2368, dated the 14th September 1934, submitting for sanction the form of the agreement to be entered into for a period of three years from 1st November 1934 with the local Agents of vessels landing iron and steel at the Iron Yard, for the performance of the services of sorting, stacking and delivery to consignees of such iron and steel.

254. Read and approved the Chairman's draft of a letter to Government submitting for sanction certain amendments to items D and F of classified head "21. Dyeing and Tanning materials" of Part II of the Trust's Scale of Rates.

255 Read and recorded the Audit Report of the Accountant-General on the Trust's Accounts for the year 1933-1934. The Accountant General's suggestions contained in paragraphs 3, 4, 5 and 6 of the report with regard to the mode of exhibition in the Trust's accounts of the value of securities held by the Trust may be given effect to with the approval of Government.

256 Read and recorded a note by the Port Engineer reporting that the retrenchment proposals approved in Resolution No. 190, dated the 1st December 1933, consequent on the continuation of the offices of the Engineering Department at the workshops have been completely effected.

257. Resolved that sanction of Government be obtained to the services of Mr. C. Arunachalam Mudali, lately serving as the "Thrasher," both under the Customs Department and the Madras Port Fund being created as permissible.

258. Resolved that the Schedule of Establishment, whose pay is charged to works, for the year 1934-35, submitted by the Chairman be sanctioned.

259 Resolved that, as required by Regulations 14 (a) and (b) of the Trust's Provident Fund Regulations, permission be granted to the withdrawal, to the extent required, of the subscriptions paid to the Trust's Provident Fund by Mr. T. Chockalingam, clerk, Traffic Department, and of the interest thereon, towards the payment of premiums on a policy of insurance effected on his life with the Hindustan Co-operative Insurance Society, Limited, Calcutta.

260 Recorded the Trust's Capital and Revenue Accounts for the month of July 1934.

261 Recorded G.O. No. 452, Finance (Marine), dated the 31st August 1934, directing the publication of a notification in the *Fort St. George Gazette*, making certain amendments to the Port rules, to the rules for the importation of petroleum and to the rules relating to the dangerous, etc., diseases.

262 Recorded G.O. Routine No. 46, Finance (Marine), dated the 10th September 1934, sanctioning the remission of dues amounting to Rs. 990-2-0 proposed in Resolution No. 217, dated the 31st August 1934.

SUPPLEMENT—
Bill No. 18 of 1934—Madras District Municipalities (Amendment)—Tamil.
Bill No. 19 of 1934—Madras Local Boards (Amendment)—Tamil.

**Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.**

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

BILL No. 19 OF 1934.

*A Bill further to amend the Madras Local Boards Act, 1920, and to amend the Madras Local Boards and Elementary Education (Amendment) Act, 1934, for certain purposes.*

Madras Act XIV of 1920. Madras Act II of 1934.

WHEREAS it is expedient further to amend the Madras Local Boards Act, 1920, and to amend the Madras Local Boards and Elementary Education (Amendment) Act, 1934, for the purposes hereinafter appearing; It is hereby enacted as follows :—

Short title.

1. This Act may be called the Madras Local Boards (Amendment) Act, 1934.

Amendment of section 56, Madras Act XIV of 1920.

**2.** In sub-section (1) of section 56 of the Madras Local Boards Act, 1920 (hereinafter referred to as the said Act), for clause (*h*) and the explanation thereto, the following clause and explanation shall be substituted, namely:—

"(*h*) absents himself from the meetings of the local board for a period of three consecutive months reckoned from the date of the commencement of his term of office, or of the last meeting which he attended, or of his restoration to office as member under sub-section (4), as the case may be, or if within the said period, less than two meetings have been held, absents himself from two consecutive meetings held after the said date:

Provided that no meeting from which a member absents himself shall be counted against him under this clause, if due notice of that meeting was not given to him.

*Explanation.*—A meeting held under sub rule (2) of rule 3 of Schedule II or rule 4 of that schedule shall not be deemed to be a meeting within the meaning of this clause."

Insertion of new section 70-A in Madras Act XIV of 1920.

**3.** After section 70 of the said Act the following section shall be inserted, namely:—

Power of Local Government to transfer officers and servants of local boards.

"70-A. (1) Notwithstanding anything contained in this Act or in the Madras District Municipalities Act, 1920, the Local Government shall have power to transfer any officer or servant of a local board to the service of any other local board or of any municipality constituted under the Madras District Municipalities Act, 1920:

Provided that such power shall be exercised after consulting the local bodies concerned.

(2) The Local Government shall have power to issue such general or special directions as they may think necessary for the purpose of giving due effect to transfers made under sub-section (1)."

Amendment of Schedule V, Madras Act XIV of 1920.

**4.** In Schedule V to the said Act—

(i) in sub-rule (1) of rule 1-A after clause (*j*) the following clause shall be inserted, namely:—

"(*jj*) such preventive and remedial measures connected with epidemics as may be ordered by the Local Government to be carried out by the panchayat."

(ii) in sub-rule (1) of rule 1-B for clause (i) the following clause shall be substituted, namely:—

"(i) preventive and remedial measures connected with epidemics, except such measures as may have been ordered by the Local Government to be carried out by panchayats under clause (*jj*) of sub-rule (1) of rule 1-A";

(iii) in the same sub-rule of rule 1-B, clause (*k*) shall be omitted;

(iv) in rule 5, in item (13) under the heading "A—Village Funds" after the words "village funds," the words "or managed by the panchayat" shall be added; and

(v) in the same rule, in item (10) under the heading "B—District Funds," after the words "district funds" the words "or managed by the district board" shall be added.

Amendment of the Schedule to Madras Act II of 1934.

**5.** In rule 7 of the Schedule to the Madras Local Boards and Elementary Education (Amendment) Act, 1934—

(i) for the opening paragraph, the following paragraph shall be substituted, namely:—

"7 Where a notification is issued under section 3-A of the Madras Local Boards Act, 1920, splitting up a district into two or more districts with effect from a date earlier than that on which the members of the existing district board would vacate office by efflux of time, the following provisions shall, unless the Local Government otherwise direct, apply until the date on which the said members would vacate office as aforesaid.";

(ii) in clause (*b*), after the words "the presidents of taluk boards," the words "if any" shall be inserted;

(iii) in sub-clause (*f*) of clause (*g*)—

(a) for the words, figure and letter " on the date of issue of the notification under the said section 3-A," the words, figure and letter " on the date on which the notification under the said section 3-A takes effect " shall be substituted; and

(*b*) for the words " with effect from the date of such notification," the words " with effect from such date " shall be substituted;

(iv) in sub-clause (ii) of clause (*g*), for the words, figure and letter " after the issue of the notification under the said section 3-A " the words, figure and letter " after the date on which the notification under the said section 3-A takes effect " shall be substituted, and

(v) in sub-clause (iii) of clause (*g*), for the words, figure and letter " after the issue of the notification under the said section 3-A," the words, figure and letter " after the date on which the notification under the said section 3-A takes effect " shall be substituted.

## STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to remove certain difficulties which are found in the actual working of the Act and these are explained in the notes on clauses below :—

*Notes on clauses.*

*Clause* 2.—Clause (*b*) of sub-section (1) of section 56 of the Madras Local Boards Act, 1920, provides that a member shall cease to hold office if he fails to attend the meetings of the board for the period specified therein and sub-section (4) provides for the restoration, under certain circumstances, of the member who has so ceased to hold office. In the case of a member who after restoration still continues to absent himself from the meetings of the board, there is no clear provision in the Act as to the date from which his default should be counted. It is proposed to amend clause (*b*) of sub-section (1) of section 56 so as to provide that this date shall be the date of his restoration to office under sub-section (4).

*Clause 3—New section 70-A of the Madras Local Boards Act.*—There is no provision in the Act as it stands at present for the transfer of employees from one local board to another except upon the consent of the employees and of the local boards concerned. Government consider that there should be provision for the transfer of the officers and servants of one local board to the service of another local board or of a municipality. It will also enable the transfer of district board servants who are surplus owing to the fixing by Government under sub-section (3) of section 67 of the Madras Local Boards Act, 1920, of the schedule of establishment of district boards and the scales of pay of the staff, to other district boards or municipalities. Such a provision will prevent the stagnation of employees in one place and the consequent loss in efficiency. The power of appointment conferred by the Act on local boards and their presidents will remain unaffected.

*Clause 4—Items* (i) *and* (ii).—Under rule 1-B (1) (i) of Schedule V to the Madras Local Boards Act, 1920, charges on preventive and remedial measures connected with epidemics are debitable only to the funds of district boards. When an epidemic breaks out in a panchayat area and preventive measures have to be taken immediately, it is highly desirable and convenient that the concerned panchayats should move in the matter at once and incur the necessary expenditure rather than leave the matter to the district board. It has also been suggested that while charges on the control of epidemics may generally be borne by district boards, panchayats may be made to bear a portion of such charges. It is accordingly proposed to amend rule 1-A (1) of Schedule V to the Madras Local Boards Act, 1920, so as to make it possible for panchayats also to incur expenditure on remedial and preventive measures connected with epidemics

*Item* (iii).—Under clause (*k*) of rule 1-B, the expenditure on protected water-supply in panchayat areas is a charge on district board funds. This item is not included in the list of objects on which the panchayat boards can incur expenditure under rule 1-A (1). Nor can they incur expenditure on this object under clause (*n*) of rule 1-A (2) as it has been specifically laid down that it is a charge on district board funds. The effect of these provisions is that only district boards can incur expenditure on the provision of protected water-supply in panchayat areas. It has been represented that district boards can ill-afford to bear such charges. It is, therefore, proposed to omit this item of expenditure [clause (*k*)] from rule 1-B.

District boards can even then contribute towards expenditure on protected water-supply schemes for all important villages in the district under rule 4.

*Clause* 5.—Ordinary elections will be held shortly to the district boards in four districts and the newly elected members of at least three of them will come into office on the 1st November 1934. If any of these districts is split up into two or more districts soon after the 1st November 1934, the members then in office will lose their membership and fresh elections will have to be held to the new district boards. Rule 7 of the Schedule to Madras Act II of 1934 will not apply to those members, as they were not in office when that Act came into force. It seems desirable to extend the benefit of that rule to those members so that they may be in office for their full term and thereby avoid a fresh election. If, however, a district is split up at a time when the members are nearly at the end of their term there would be no objection to holding a fresh election immediately.

It is proposed to provide for both these contingencies by amending rule 7 of the Schedule to Madras Act II of 1934.

## ABSTRACT OF SEASON REPORT FOR THE WEEK ENDING 13TH OCTOBER 1934.

### GENERAL SUMMARY.

There has been fairly good rainfall in the week in most parts of the Presidency. Rainfall very heavy on the West Coast, heavy in the Central districts (Coimbatore excepted) and the Nilgiris; moderate in the Circars (Kistna excepted), Anantapur, Cuddapah, the Carnatic, Coimbatore, Tanjore and Madura; fair elsewhere. Rainfall in the week above normal except in Ganjam, Vizagapatam (Littoral), East Godavari, Kurnool, Bellary, Ramnad and Tinnevelly. Rainfall up to the end of the week below normal except in Vizagapatam (Agency). Water-supply normal except in parts of West Godavari, Kistna, the Deccan, the Carnatic, the Central districts (Coimbatore excepted), the South, Malabar and the Nilgiris. Transplanting or sowing of paddy proceeding in parts of Nellore, Chingleput, North Arcot, Coimbatore, Trichinopoly, the West Coast and the Nilgiris and sowing of dry crops in parts of Vizagapatam, East Godavari, Kistna and Coimbatore. Sowings so far satisfactory and greater than last year for dry and wet crops in the Carnatic and for wet crops in the Central districts and the West Coast, sowings satisfactory in the Deccan though less than last year; sowings restricted and less than last year for dry and wet crops in the Circars and the South and for dry crops in the Central districts and on the West Coast. Standing crops generally fair except in parts of Bellary and Anantapur where they have been adversely affected for want of rain. Harvest of paddy proceeding in parts of West Godavari, Chittoor, Trichinopoly, Tanjore, Madura and the West Coast; cholam in Nellore and Chittoor; cumbu in Kistna, Kurnool, Cuddapah, Nellore and Chittoor, ragi in Vizagapatam, Nellore, Chittoor and Coimbatore and korra in Kistna and Kurnool; outturn generally fair. Conditions of cattle generally good. Fodder generally sufficient. Prices generally stationary. Rain needed in parts of Guntur, the Deccan, Nellore, Chingleput, Chittoor, North Arcot, Coimbatore, Madura and Ramnad.

BOARD (LAND REVENUE AND SETTLEMENT),
MADRAS, *16th October 1934.*

### DISTRICT REPORTS.

#### GANJAM.

Water-supply sufficient. 45·5 feet of water in the Gumsukhanda reservoir (F.T.L. 49·46); 22·4 feet in the Surada reservoir (F.T.L. 18). Sowings so far restricted. Standing crops fair. Pasture available. Fodder sufficient. Condition of cattle generally good.

#### VIZAGAPATAM.

Water-supply sufficient. Transplanting of ragi and sowing of gingelly and horsegram proceeding in parts. Sowings so far restricted. Standing crops thriving. Harvest of ragi, samai and groundnut proceeding in parts, outturn of samai poor to fair; rest, fair. Pasture available. Fodder sufficient. Condition of cattle generally good.

#### EAST GODAVARI.

Water-supply sufficient. The Godavari 3·63 feet above crest. Transplanting of ragi and chillies and sowing of cholam, pulses, castor and cotton proceeding in parts. Sowings so far satisfactory. Standing crops fair. Pasture available. Fodder sufficient except in the taluks of Cocanada, Bhadrachalam, Polavaram and Nugur. Condition of cattle generally good.

#### WEST GODAVARI.

Water-supply sufficient for irrigation except in the uplands of the taluks of Ellore and Tadepalligudem. Sowings so far of dry crops satisfactory; sowings of wet crops restricted. Standing crops fair. Harvest of short duration paddy proceeding in parts; outturn fair. Pasture available. Fodder sufficient. Condition of cattle generally good.

#### KISTNA.

Water-supply sufficient for drinking; supply sufficient for agricultural purposes except in the taluks of Nandigama and Nuzvid and in the upland parts of Bezwada taluk. The Kistna 5·03 feet above crest. Transplanting of chillies and tobacco and sowing of cholam, varigu, horsegram and cotton proceeding in parts. Sowings so far of dry crops satisfactory though less than last year; sowings of wet crops restricted. Standing crops fair. Harvest of cumbu, korra, maize, groundnut and gingelly proceeding in parts, outturn fair. Pasture available. Fodder generally sufficient. Condition of cattle generally good.

#### GUNTUR.

Water-supply sufficient. Transplanting of chillies and tobacco proceeding in parts. Sowings so far restricted though greater than last year for wet crops. Standing crops generally fair. Pasture available. Fodder sufficient. Condition of cattle generally good. Rain needed for dry crops.

### KURNOOL.

Water-supply sufficient for irrigation except in rainfed tanks in the taluks of Markapur, Sirvel, Kurnool, Dhone, Koilkuntla and Pattikonda. Sowing of cholam proceeding in parts. Sowings so far restricted. Standing crops generally fair. Harvest of cumbu and korra proceeding in parts; outturn of cumbu poor. korra fair. Pasture in parts; outturn of cumbu poor. Pasture not available except in the taluks of Sirvel and Koilkuntla. Fodder generally sufficient. Condition of cattle generally good. Prospects not hopeful; rain still needed in almost all the taluks for the standing crops. Owk sub-taluk suffering the most.

### BELLARY.

Water-supply generally sufficient for drinking except in parts of the taluks of Bellary and Hadagalli; supply generally sufficient for irrigation under the Tungabhadra and spring channels; two to eight tanks in the Harpanahalli taluk, twenty-six tanks in the Kudligi taluk, fourteen tanks in the Alur taluk, three tanks in the Rayadrug taluk, two tanks in each of the taluks of Siruguppa and Hadagalli and one tank in the Hospet taluk contain inadequate supply. Sowings so far restricted though greater than last year for dry crops. Standing crops of paddy and sugarcane generally fair but early cholam, cumbu, pulses, groundnut and cotton in all the taluks are fading; early korra has almost faded in the taluks of Bellary, Hospet and Rayadrug; late cholam and cotton have commenced fading in the Adoni taluk. Pasture not available except in the taluks of Adoni and Kudligi. Fodder becoming scarce in all the taluks except Adoni and Siruguppa. Condition of cattle generally good. Labourers do not find sufficient employment in all the taluks except Adoni, they may find employment in black soil areas on account of the recent rains. Recent rains may improve the situation a little but more rains are still needed.

### ANANTAPUR.

Water-supply sufficient for drinking except in Penukonda, town and in parts of the taluks of Dharmavaram and Hindupur; supply generally insufficient for irrigation. Sowings so far of dry crops satisfactory though less than last year; sowings of wet crops restricted. Standing crops of cholam, cumbu, korra, varagu, samai, pulses, groundnut, gingelly, castor and cotton generally poor; the rains received during the week may revive them in limited areas; crops of paddy and ragi poor to fair. Pasture not available except in the Gooty taluk, where it is available in limited quantities. Fodder generally available in limited quantities, except in the taluks of Hindupur, Penukonda, Madakasira, Dharmavaram Kalyandrug and Kadiri; permission for the free removal of green leaves for fodder has been granted in the affected tracts. Condition of cattle generally good. The condition of the labouring classes is not satisfactory in the taluks of Hindupur, Penukonda, Kadiri, Madakasira, Dharmavaram and Kalyandrug. Stocks of food grains are being exhausted in the taluks of Hindupur and Penukonda and large quantities of grain are being imported into the Hindupur taluk. There has been appreciable rainfall in the taluks of Madakasira, Kalyandrug and Kadiri but the early dry crops, having already withered in these taluks, cannot revive except in very limited areas. There has been some rainfall in the other taluks but this is not generally sufficient for agricultural operations.

### CUDDAPAH.

Water-supply generally sufficient except in tanks. Sowings so far satisfactory though less than last year for dry crops. Standing crops generally fair. Harvest of cumbu proceeding in parts; outturn poor to fair. Pasture available except in the taluks of Jammalamadugu, Pulivendla, Rayachoti and Cuddapah where it is scanty. Fodder generally sufficient. Condition of cattle generally good. The rainfall in the week has not improved the prospects of the season in the Rayachoti taluk. Anxiety prevails in the Jammalamadugu taluk where korra and groundnut failed. The withering unirrigated dry crops have received little in all taluks but more rain is urgently required.

### NELLORE

Tanks have generally no water; delta tanks fed by the Penner are getting supplies from the river channels; Penner delta supply generally inadequate; supply sufficient and normal in wells; river channels flowing in the taluks of Atmakur and Nellore. 7·8 feet in the Kanigiri reservoir (F.T.L. 21·00); 2·2 feet in the Utpad reservoir (F.T.L. 27·6). Transplanting and sowing of paddy proceeding in parts. Sowings so far satisfactory. Standing crops generally fair. Harvest of cholam, cumbu and ragi proceeding in parts; outturn fair. Pasture not available in the taluks of Rapur, Atmakur and Udayagiri, not adequate in the taluks of Gudur, Sullurpet and Venkatagiri and generally available in the other taluks. Fodder generally sufficient. Condition of cattle generally good. More rain needed.

### CHINGLEPUT.

2 *inches of rainfall in the week.* Water-supply insufficient in the taluks of Sandapet, Conjeevaram and Madurantakam. Sowing of paddy proceeding in parts. Sowings so far satisfactory. Standing crops generally fair. Pasture available. Fodder sufficient. Condition of cattle generally good. Rain needed.

### SOUTH ARCOT.

2·7 *inches of rainfall in the week.* Water-supply sufficient for drinking; supply insufficient for irrigation except in the taluks of Gingee, Chidambaram and Kallakkurichchi and in parts of the taluks of Tindivanam, Villupuram and Tirukkoyilur. Sowings so far of dry crops satisfactory; sowings of wet crops restricted. Standing crops fair. Pasture available. Fodder sufficient. Condition of cattle generally good. Conditions fair after the recent rains.

### CHITTOOR.

2·8 *inches of rainfall in the week.* Water-supply sufficient for drinking, supply generally sufficient for irrigation except in parts of the taluks of Madanapalle and Chittoor. Sowings so far satisfactory. Standing crops generally fair. Harvest of paddy, cholam, cumbu and ragi proceeding in parts; outturn poor to fair. Pasture generally available. Fodder generally sufficient. Condition of cattle generally good. Prospects fair; in the taluks of Madanapalle and Vayalpad, there is some improvement due to recent rains. More rains are however needed.

### NORTH ARCOT.

4·3 *inches of rainfall in the week.* Water-supply sufficient for drinking; supply not adequate for agricultural purposes in parts of all the taluks except in the Arni taluk. Sowing of paddy and pulses proceeding in parts. Sowings so far restricted though greater than last year. Standing crops generally fair except paddy and groundnut in parts of the Cheyyar taluk where they are withering and cumbu and groundnut in parts of the Wandiwash taluk where they are eaten away by worms. Pasture generally available. Fodder sufficient. Condition of cattle generally good. More rain needed.

### SALEM.

4·3 *inches of rainfall in the week.* Water-supply sufficient for drinking; supply insufficient for irrigation in all the parts of the district except the Attur taluk. The water level in the Stanley Reservoir 64·6 feet. Sowings so far restricted. Standing crops good. Pasture generally available. Fodder sufficient except in parts of the taluks of Omalur and Tiruchengode. Condition of cattle generally good. Recent rains have further improved the situation.

### COIMBATORE.

2·3 *inches of rainfall in the week.* Water-supply generally sufficient. Transplanting of paddy and sowing of cholam, cumbu, ragi, korra, samai, pulses, castor, and cotton proceeding in parts. Sowings so far restricted though greater than last year for wet crops. Standing crops generally fair; cholam and cumbu in parts of the Gobichettipalaiyam taluk have withered; surabu has dried up in parts of the Erode taluk and the condition of the other dry crops in the Erode taluk is poor. Harvest of irrigated ragi proceeding in parts; outturn poor to fair. Pasture and fodder generally sufficient except in parts of the taluks of Erode, Dharapuram, Palladam and Udumalpet. Condition of cattle generally good. Prospects improving owing to recent rains. More rains needed.

### TRICHINOPOLY.

3·2 *inches of rainfall in the week.* Water-supply generally sufficient for drinking; supply sufficient for agricultural purposes except in tanks in the taluks of Karur, Kulithalai and Musiri. Transplanting of paddy proceeding in parts. Sowings so far of dry crops restricted; sowings of wet crops satisfactory. Standing crops fair. Harvest of paddy proceeding in parts, outturn fair. Pasture generally available. Fodder not available in the Udaiyarpalayam taluk, insufficient in the Karur taluk and sufficient in the other taluks. Condition of cattle good. The recent rains have improved the situation.

### TANJORE.

2·1 *inches of rainfall in the week.* Water-supply sufficient for drinking except in the Arantangi taluk, supply generally sufficient for irrigation except in the taluk of Arantangi, and in parts of the taluks of Tanjore and Negapatam. Height of water at the Grand Anicut 3·45 feet above crest. Discharge in the Coleroon over lower anicut, northern and southern branches 7·2 and 7·0 lacs, respectively, in the front. Sowings so far restricted. Standing crops generally fair. Harvest of *Kuruvai* paddy proceeding in parts; outturn fair. Pasture and fodder generally sufficient except in the Arantangi taluk and in parts of the Tanjore taluk. Condition of cattle good.

### MADURA.

2 *inches of rainfall in the week.* Water-supply sufficient for drinking; supply generally insufficient for agricultural purposes. Average discharge through the Periyar main canal 1,353 cusecs. Sowings so far restricted. Standing crops fair. Harvest of paddy proceeding; outturn poor to fair. Pasture available except in parts of the taluks of Palni and Periyakulam. Fodder sufficient. Condition of cattle generally good. Prospects cannot yet be said to be fair though the recent rain have improved matters to some extent; more rain still needed.

### RAMNAD.

Water-supply sufficient for drinking except in the taluks of Mudukulattur and Tiruppattur. Sowings so far satisfactory though less than last year for dry crops. Standing crops generally fair but the dry crops in the Tiruppattur taluk have withered. Pasture and fodder generally available except in the taluks of Mudukulattur and Paramakudi. Condition of cattle generally good. More rain urgently needed.

### TINNEVELLY.

Water-supply sufficient except in the taluks of Tenkasi, Ambasamudram, Tinnevelly, Srivaikuntam and Tiruchendur and parts of the Nanguneri taluk. No flow over the Srivaikuntam Anicut. Discharge nil. Sowings so far of dry crops restricted; sowings of wet crops satisfactory though less than last year. Pasture available. Fodder sufficient. Condition of cattle good. Prospects gloomy.

### MALABAR.

5·5 *inches of rainfall in the week.* Water-supply sufficient for drinking; supply not generally sufficient for agricultural purposes. Transplanting of second crop paddy proceeding in parts. Sowing so far of dry crops restricted; sowings of wet crops satisfactory. Standing first crop paddy fairly satisfactory; there has been some improvement in the condition of second crop paddy on account of the rain during the week. Harvest of first crop paddy proceeding in parts; outturn fair to normal. Pasture available. Fodder sufficient. Condition of cattle generally good.

### SOUTH KANARA.

5·3 *inches of rainfall in the week.* Water-supply sufficient. Sowing of second crop paddy proceeding in parts. Sowings so far of dry crops satisfactory; sowings of wet crops restricted. Standing crops fair to good. Harvest of first crop paddy proceeding in parts; outturn fair to normal. Pasture available. Fodder sufficient. Condition of cattle good.

### THE NILGIRIS.

4 *inches of rainfall in the week.* Water-supply generally sufficient for drinking but insufficient for irrigation in the Gudalur taluk. Transplanting of paddy in the Gudalur taluk concluded; sowing of potatoes proceeding in parts. Sowings so far satisfactory. Standing crops fair except in the Gudalur taluk where paddy, ragi and samai show signs of failure and in the Coonoor taluk where the condition of coffee and tea is generally unsatisfactory. Plucking of tea proceeding in parts; outturn fair. Pasture available. Fodder sufficient. Condition of cattle good.
